

FES CLASSROOM PARTY TREAT OPTIONS

Due to the extensive number of students at FES with food allergies, we must limit the foods brought into this school to share. The following food products have been deemed safe for the majority of the students at FES and are allowed to be brought in for parties. Any food NOT pictured here, including generic brand variations of the below foods, MUST be approved by the nurse before it is sent into the classroom. Depending on your specific classroom needs, your child's teacher may provide you with additional restrictions depending on the needs of each individual classroom.

APPROVED ITEMS:

- *Any fresh, washed fruit and/or vegetables!*
- *Salty Snacks (Approved Brands Listed Below)*

- *Sweet Snacks (Approved Brands Listed Below)*
